

Covid-19 Safety

Your health & safety is our priority, so after assessing the risks & controls of Covid-19, we are adopting the following protocols to safely welcome you back.

Social Distancing: we are implementing social distancing measures throughout the hotel, there will be a one way system for non-residents to enter the premises.

Increased cleaning & sanitisation: we are increasing the frequency of cleaning & sanitisation, with special attention to high contact areas. (hand rails, door handles etc)

Hand sanitisation stations: there will be alcohol based hand sanitiser available in public areas

Fresh air: We will ensure that all areas are well ventilated, with open windows.

Protective screens: where social distancing difficult, we will be installing protective screens.

Team Members: will be covid trained, provided with PPE and will have strict hygiene procedures to maintain. The health of the team will also be monitored.

Restaurant & Bar: we will spacing out tables both inside & outside to maintain social distancing. At first when we re-open we will be using disposables for the service of food and drinks.

Accommodation: all our bedrooms will be thoroughly cleaned and sanitized between guests. For more information please see the Accommodation Covid-19 Safety download.

Method of payment: cards only. No cash please.
